AMENDMENTS TO THE DRAWINGS

Please replace the Drawing sheet containing Fig. 7 with the amended Drawing sheet containing Fig. 7 in the Appendix.

Fig.7 has been amended to correctly identify both the hinge (89) and the leaf spring (91) which were incorrectly identified on the original drawing. Both the hinge (89) and the leaf spring (91) are described in the specification, but they were missing the element numbers in the textual description. The two consecutive paragraphs of the Specification beginning on Page 13, Line 7 and ending on Page 13, Line 12 have been amended to correctly identify the hinge (89) and the leaf spring (91) with the correct element numbers.
